Your generous donation helps fund library programs, services, and initiatives that enrich our community and advance the library's mission to connect, inspire, and empower all to thrive.

Your contribution will be recognized with an engraved leaf on the donor tree in the Cornelius Veterinary Clinic Atrium.

Each leaf has space for three lines of text of your choice. All text will appear in all capitals, centered, and in the same font style and size. Please fill out the table below with only one letter or space in each box. Line 1 is limited to 20 characters; line 2 to 23 characters; line 3 to 20 characters.

You may email, call or drop this form off at the library with the text you decide on. A few examples are below.
